Splash—!!!

It's hottt—!!!

Was it?

You're being mean.

Are you bullying me?

I think you are.

ratfle

I was also looking at my hand

It's fine, if it was accidental.

Do you think I did it on purpose?

Did you forget what you did to me before?

Honda-san,

I made him pee.

drabble

At that time... Just the other day,

...

Geez, man, what am I going to do now?

thud

thud

thud

thud

Your behavior made me want to see that.

HUH?!

We're good, right?

It was inevitable. The teasing in the past was accidental based on circumstances.

It's just a misunderstanding. It wasn't on purpose.

No, it's something else.

Ah Ah

Why are you laughing? Are you making fun of me?!

Don't carelessly laugh. It's making me angry.

Ah He He He

The fact is, if I had said something like that, you'd hit me.

Heh

Huh?

No, I can do it myself. Seriously, go away.

I can change my clothes alone.

Why are you following me? Please go away.

Well, it's fine. It's not in my nature to be negative.

It's because you're changing and it's impossible to do so with that hand.

Well...
I don't mean for
you to...
Stop!
Please!

You know
I'm obsessed
with them.

I just had a cramp.
Why are you so
fixated on my
underwear?

Fine!
You can see
what I'm
wearing
today.

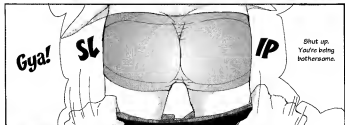

No,
I'm
not.

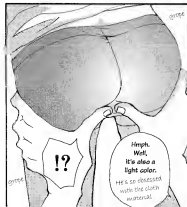

Liar.
Afterall,
didn't you
wear a
T-back
last time?

You
don't
look okay.
Just think
of it as
male
bonding.

Oh, I get it.
You're
wearing some
amazing pair
of panties.

Shut up.
You're being
bothersome.

Hmph.
Well,
it's also a
light color.
He's so obsessed
with the cloth
material.

They're not
briefs...
They're
men's
boxers.

What's this?
You're wearing
normal briefs.
Sorry, 'kay?

Did you really go to the doctor?

Yeah.

Hey, are you still sore?

Ah...

Eh?

Well well...

From the start, I knew Shibuya's secret preferences.

No thanks.

I'll do it for you!

Shibuya—

If you need help, call me.

GYA

I'm not concerned with gender anymore.

Yeah—

Um, is this yours?

POSS-POT THING

That's because I'm seeing women's things. Doesn't he understand that when he wears pantsies underneath his suit, I feel like groping him?

Damn it! This is no longer a laughing matter.

Since we've met, I've been personally involved with him.

At first glance, he acts like he really hates it, but if I keep egging him on, he'll probably sing a different tune.

That guy must be crying.

rustle

Well, it doesn't really matter if I don't go too far, but if I do...

I want to see his different emotions even more. Though, in order to do that, I need to change his attitude... towards me.

What the heck? What am I going to do?

I don't hear any sobbing or screaming over there.

Wouldn't he love something like that?

Pants would surely please him.

If so, what would he like?

Oh
Cute

Come to think of it, I haven't been able to eat lunch (at work) or at home (at the dorm) with Shibuya. What the hell happened to him?

What does he normally do?

feed

Cl — ank!
